CAPABILITIES

Automation Product Distribution

Production & Assembly

Engineering Design & Support

Software Development/Integration

SERVICE DETAILS

Our services include custom assemblies, inspection and testing, custom cabling, application software development, systems integration, panel building, customer training and more.

We offer you our Engineering Services to help you utilize iAutomation products successfully in your automation systems.

iAutomation offers a systematic approach to automation assurance through a structured set of engineering services, which when combined, are the essential steps necessary to complete a turn-key project. These services are offered un-bundled depending on the level of integration desired to meet specific application requirements.

MOST VALUABLE PARTNERS

MVP RATIONALE

Market Focus

Define focused market and the associated products required to win.

Relationships

Develop Executive level relationships to ensure support and focus on both sides.

Growth Planning

Focused product programs and incentives for customers.

Training

Enhanced sales skills and technology training for our sales team.

WHAT WE SELL (ALL SUPPLIERS) *

PLC, IO, Connectivity

- ABB
- B&R Industrial Automation (ABB)
- Kollmorgen
- Murrelektronik
- Panasonic
- Weidmuller

Motion Control, Motors & Drives

- B&R Industrial Automation (ABB)
- Baldor (ABB)
- Baumuller
- Crouzet
- FESTO
- Kollmorgen
- Moog Animatics
- Nanotec
- Panasonic
- Trio Motion Control
- Invertek

Machine Safety

- Jokab (ABB)
- B&R Industrial Automation (ABB)
- BALLUFF
- Banner Engineering
- INXPECT
- Schmersal

Aluminum Extrusion

- 80/20

Robotics

- ABB
- B&R Industrial Automation (ABB)
- FESTO
- IPR Robotics
- OnRobot
- TM Robotics
- Doosan

Operator Interface

- ABB
- B&R Industrial Automation (ABB)
- Kollmorgen
- Maple Systems
- Panasonic

Power Distribution

- Thomas & Betts (ABB)
- Crouzet
- EXM USA
- Murrelektronik
- Weidmuller

Actuators & Stages

- Atlanta Drive Systems
- BIMBA
- FESTO
- Harmonic Drive
- Kollmorgen
- Moog Animatics
- Reliant Systems, Inc.
- Thomson Industries
- Tolomatic

Feedback Devices

- AMO Corporation
- Dynapar
- Heidenhain Corp

Sensors & Vision

- BALLUFF
- Banner Engineering
- B&R Industrial Automation (ABB)
- FESTO
- OPTEX
- Sensopart
- Panasonic
- Teledyne Dalsa
- Zebra Technologies

Linear Mechanical

- Chieftek Precision
- NSK
- PBC Linear
- Thomson Industries
- Deltron Precision
- QC Industries (Conveyors)
- New Way Air Bearings

Gearboxes & Rotary Mechanical

- APEX Dynamics
- Atlanta Drive Systems
- B&R Industrial Automation (ABB)
- CGI, Inc.
- GAM Gear
- Inertia Dynamics
- Ruland Manufacturing
- Stober Drives Inc
- Thomson Industries

Vacuum Components

- Anver Corporation
- FESTO
- VACCON (Bimba)

Pneumatic Valve/Prep

- Acro
- Fairview Fittings
- FESTO
- Freelin-Wade
- Legris
- MEAD Fluid Dynamic (Bimba)
- NOSHOK
- PNEUMADYNE (Bimba)
- Valley Industries
- Wilkerson

Pneumatic Cylinders

- BIMBA
- Fabco-Air
- FESTO
- LEHIGH Fluid Power
- MEAD Fluid Dynamic (Bimba)
- Tolomatic
- TRD Manufacturing (Bimba)

Pumps/Compressors

- Elmo Rietschle
- FUJI Electric
- G&M Tech
- Thomas Gardner Denver

Hydraulics

- BIMBA
- LEHIGH Fluid Power
- LYNAIR
- Nason
- TRD Manufacturing (Bimba)
