Position: **Electronics Assembly Technician**

RND Automation, a rapidly expanding robotic automation, assembly & packaging equipment company **is seeking an Electronics Assembly Technician** for Florida's largest industrial automatic, robotics, and packaging machinery manufacturer **in Lakewood Ranch, Florida.**

Job Description

The Electronics Assembly Technician is responsible for the assembly of electrical Control panels per customer orders.

- Majority of time will be spent wiring industrial control panels
- Install and wire devices such as switches, meters, analyzers, transmitters, etc.
- Maintain necessary U.L. & other quality control files.
- Layout of components in various size cabinets.
- Mentor junior members of the team

REQUIREMENTS

Requires a minimum of a High School Education, a Technical Certificate in Electrical Controls is desired, and 1+ years' experience in control panel building, wiring, reading schematics and electrical diagrams. Experience using hand tools to drill, tap, and assemble electrical panel is a must. Highly motivated, detail oriented and able to work independently as well as in a team environment.
